

Here's [HOW] you can maximize your oral health at no additional cost beginning 1/1/2022*.

A healthy mouth is a vital part of your overall health, and Delta Dental of Wyoming cares about yours. That's why we're introducing Health *through* Oral Wellness® (or, HOW® for short). HOW is a unique, patient-centered program that adds additional benefits to your dental plan, based on your individual oral health needs. By having your dentist perform a simple risk assessment, you may have access to additional preventive and health-sustaining benefits.

HOW TO GET STARTED:

First, simply request an Oral Health Risk Assessment at the beginning of your dental visit.

Second, if you qualify based on your results, Delta Dental of Wyoming may release, or "unlock" specific additional benefits.

BELOW ARE JUST SOME OF THE BENEFITS THAT MAY BE COVERED BASED ON RISK SCORES

- ✓ Additional Cleanings
- ✓ Additional Sealants (child and adult)
- ✓ Fluoride (child and adult)
- ✓ Periodontal Maintenance (gum disease treatment)
- ✓ Tobacco Cessation Counseling

All enhanced benefits are subject to the patient's plan design, annual maximum, co-insurance, deductibles and other limitations. A risk assessment must be performed at least once every 12 months. Enhanced benefits and standard policy requirements, including coinsurance percentages, copayments and plan maximums, may be subject to changes.

**The effective date of your Health through Oral Wellness program is based on your policy's renewal date in 2022.*
